**Notes:**

1. The memorandum of cross-objections must be in triplicate.
2. The memorandum of cross-objections shall be written in English or, if the memorandum is filed in a Bench located in any State notified by the President of the Appellate Tribunal for the purposes of rule 5A of the Income-tax (Appellate Tribunal) Rules, 1963, then, at the option of the respondent, in Hindi, and shall set forth, concisely and under distinct heads, the cross-objections without any argument or narrative and such objections should be numbered consecutively.
3. The number and year of memorandum of cross-objections shall be filled in by the office of the Appellate Tribunal.
4. The Appeal number and year of appeal as allotted by the office of the Tribunal and appearing in the notice of appeal received by the respondent shall be filled in by the respondent.
5. In column seeking Respondent's and Appellant's information, the relevant data, as applicable, shall be filled in properly.

**Illustration.**— For instance in case the department is Appellant or Respondent, as the case may be, the designation of the officer filing the cross-objections and details pertaining to his office may be filled, if available.

6. The '*Tax effect*' for the purpose of filling this Form shall be taken as the difference between the tax on the total income assessed and the tax that would have been chargeable had such total income been reduced by the amount of income in respect of the issues against which cross-objection is intended to be filed (*i.e. disputed issues*) including applicable surcharge and cess:

**Provided** that the tax shall not include any interest thereon, except where chargeability of interest itself is in dispute and in case the chargeability of interest is the issue under dispute, the amount of interest shall be the tax effect:

**Provided further** that in cases where returned loss is reduced or assessed as income, the tax effect shall include notional tax on disputed issues:

**Provided also** that in case of penalty orders, the tax effect shall be the quantum of penalty deleted or reduced in the order to be cross-objected against:

**Provided also** that while determining 'total tax effect', the tax effect on grounds, which forms part of the common grounds of cross-objection, such as where reopening of the case itself is under challenge, shall not be considered separately:

**Provided also** that where income is computed under the provisions of section 115JB or section 115JC of the Income-tax Act, 1961, the '*tax effect*', shall be computed as per the following formula, namely:—

$$(A-B) + (C-D)$$

Where,

A = the total amount of tax as per the provisions other than the provisions contained in section 115JB or section 115JC (herein called regular provisions);

B = the total amount of tax that would have been chargeable had the total income assessed as per the regular provisions been reduced by the amount of the disputed issues under regular provisions;

C = the total amount of tax as per the provisions contained in section 115JB or section 115JC;

D = the total amount of tax that would have been chargeable had the total income assessed as per the provisions contained in section 115JB or section 115JC was reduced by the amount of disputed issues under the said provisions:

**Provided also** that where the amount of disputed issues is considered both under the provisions contained in section 115JB or section 115JC and under regular provisions, such amount shall not be reduced from total amount of tax while determining the amount under item D.

7. If the space provided is found insufficient, separate enclosures may be used for the purpose.
