

EFS - Instruction No.52 [F.No.DGIT (S)/DIT(S)-2/AIMS/14/2015], dated 10-2-2016

NMS cases are pushed under AIMS module for further action by field formations. This module provides a functionality to issue system generated letters to the non-filers.

2. Previously the letter generation functionality only used address as per PAN database. A new functionality has been deployed which allows generation of letters at addresses mentioned in Return of Income and Annual Information Return.

3. You are requested to communicate this instruction to field formations.
