EVERY TAXPAYER | प्रत्येक आयकरदाता IS A NATION BUILDER | एक राष्ट्र निर्माता

Taxes are essentially, every society's investment in civilization. Taxation is aimed at raising funds in order to develop economic and social infrastructure of a country. The Income Tax Department, with the Central Board of Direct Taxes at the helm, is the apex agency for direct tax administration in India. Since its inception, the Income Tax Department has been one of the highest contributors to the revenue collected by the Government of India.

From bridges to hospitals and from Ayushman Bharat to Make in India, taxes are the pivot around which a country's growth story is woven. The building blocks of any country like Education, Defence, Food Security, Health, Transport, Police, Telecommunications, Energy security are all founded on the bedrock of taxation.

This calendar showcases a glimpse of India's growth story through the lens of taxation.
